Q-Tee QL38-46F (fits up to 3 x 50" screens)

- Wall Mount Instructions:
 - [QL38-46F Installation Video](#)
 - [QL38-46F Installation Manual](#)

Start Here

- 1 Download the INCYT app through the App Store or Google Play Store on your mobile device, or visit **dashboard.incyt.io** on your web browser.

- 2 Create a new account or login with your existing account.

Create Custom Dashboards

- 3 Navigate to the Dashboards tab and create a custom dashboard with your preferred widgets.
- 4 Learn more about creating new dashboards on [the INCYT Academy](#).

Mount the Screens

- 5 Install your wall brackets and mount the TV's as per the manufacturer's instructions.
- 6 Ensure each screen is level and securely mounted before connecting power.

Connect & Register the Device

- 7 Plug in the power for the Mission Control Unit. Mission Control unit can be mounted below or behind the TV.
- 8 Plug one Mission Control device into the HDMI port each screen (one device per screen).
- 9 Power on the TV/s and select the HDMI input. Follow the on-screen prompts to register your device, connect it to wifi, and link it to your INCYT account.
- 10 Learn more about device registration on [the INCYT Academy](#).

Link the Dashboards

- 11 Log into your INCYT App on your mobile device or web browser and navigate to the device tab.
- 12 Under the Mission Control device settings, assign your preferred custom dashboard to the Mission Control device.
- 13 Your screen will automatically display your chosen dashboard. This can be changed or updated at any time.
